Giving back faithfully

Project Resilience - Sponsor a Child Program

Wonfel initiated "Sponsor a Child" program to give hope to many children who lost one or both parents.

As of Aug.1st 2021, Wonfel "Sponsor A Child" initiative has identified 226 children who lost one or both parents in Metekel, and N. Shewa/Ataye area. We have sponsors for the 54 orphans from Metekel and looking for sponsors for the remaining 100+ children.

Project Resilience is designed with simplicity, transparency, and with clear objective of gaining the trust of many good-hearted people interested in helping.

The program is based on a sponsorship program that costs less than \$1/day yet can change a child's life.
